

The third ANIV-G Meeting was held on 8 Sept 2024 at Centro Congressi Le Benedettine, in Pisa, in occasion of the XVIII International Conference of the Italian Association for Wind Engineering IN-VENTO 2024 conference. The day was disrupted by a national train strike and heavy rainfall, leading to notable absences. About 20 members from 5 institutions participated to the initiative. In order to define next ANIV-G steps, proposals about next activities to be carried out within ANIV-G were presented and discussed.
